Type of Service (Please Select One or Complete "Other.")

Standard: Standard lead time evaluation & repair procedure. Quote & await customer approval before proceeding.

Rapid/QTA (25% premium added to repair cost): Disassemble, inspect & quote as an emergency. Quote & await customer approval before proceeding.

Test & Run: Evaluation only at this time. Provide testing feedback & wait for customer approval before proceeding.

Other:

Comments

Have we met before?

Yes - Returning Customer

No- First time with Setco/GTI

Please Note: We appreciate the opportunity to serve your repair needs. While most repairs are evaluated at no charge, an evaluation fee may be applicable based on spindle condition and/or complexity of the evaluation process. All evaluation fees are waived with authorized approval to repair.
